Écran de bureau

Sharp/ NEC MultiSync® E274FL

For driving down costs without compromising quality, the E-series prioritises user comfort and productivity making it an excellent solution for both the home office and for small to medium sized businesses for general office applications.

- Improve your Productivity – with embedded LAN and USB-C, this display serves as a docking hub in your Personal Workspace.
- Future-proof flexibility – wide connectivity provides high-level flexibility with LAN, DP, HDMI, USB Type C, USB A and audio output.
- Safeguarding user wellbeing – built-in Low Blue Light technology filters out hazardous blue light emissions whilst Flicker-Free technology eliminates any backlight flickering.
- Ergonomic Office – full height adjustability (130 mm), swivel, tilt and pivot functionality ensures perfect individual workspace set-up.
- Best in form and function – future-ready design with 3-sided ultra-narrow bezel, available in black or white, plus optional VESA mount plate for thin client devices.

Spécifications
