Preliminary Datasheet

Desktop Mount for Sharp Displays

DM01 D C

Dual-monitor desktop arm mount for NEC desktop displays up to 34"

Benefits

Health conscious adjustment – to help reduce eye, back and neck strain, the displays can be positioned to the perfect ergonomic setup

Smooth and effortless display movement – the easy-to-adjust mounting arms allow a floating display movement for perfect adjustment according to your individual needs

Simple and universal setup – it takes just a few minutes to connect the monitors, fix the clamp-on mounting base to your desk and be ready to function productively

Tidy your desk – integrated cable management ensures a clean and professional finish

Specifications
